Editorial Information

The aim of the journal “*Algebra and Discrete Mathematics*” is to present timely the state-of-the-art accounts on modern research in all areas of algebra (general algebra, semigroups, groups, rings and modules, linear algebra, algebraic geometry, universal algebras, homological algebra etc.) and discrete mathematics (combinatorial analysis, graphs theory, mathematical logic, theory of automata, coding theory, cryptography etc.)

Languages: English

Preparing and submitting papers:

Papers submitted for publication and editorial correspondence should be addressed to:

Vitaliy M. Usenko

Editorial office “Algebra and Discrete Mathematics”

Department of Algebra and Analysis

Lugansk State Pedagogical Taras Shevchenko University

91011 Lugansk

UKRAINE

The e-mail address is: algebra@is.com.ua

Papers submitted to the journal “*Algebra and Discrete Mathematics*” (as **ADM** below) can be either compuscripts (done on a computer) or manuscripts (done on a typewriter). Handwritten papers will not be considered.

Compuscripts should be prepared in TeX, LaTeX or AMS-LaTeX; these will be used for production if accepted for publication. A macro package is available (by e-mail request) for authors to prepare their papers in the **ADM** style.

Authors who wish to submit their papers electronically should send the TEX file either to the **ADM** e-mail address or to any one of the Editors. The electronic addresses of the Editors are listed on the Editorial Board page.

Manuscripts prepared by other means must be typed on one side of the page, with double-spaced lines, long formulas displayed. Greek, German and script letters must be clearly differentiated from the text, and special signs must be explicitly explained.

Proof-sheets:

Authors receive only one set of proof-sheets (in PDF or PS format) via e-mail for corrections. Only correction of misprints and minor changes can be made during proofreading.

Offprints:

Authors receive 20 free prints of the paper.
